Please supply a photocopy of your Membership Card or alternatively provide us with details of your Leader name, Leader number (if known) and where you attend Weight Watchers Meetings so that we can verify your start weight, Goal weight and your current weight. If you are selected we will also need to update our records at that time and again when your Success Story is published.

Attach your before and after photos

The 'after' photograph should preferably be full length. Please print your name on the back of each photo and attach to this form using a method that will allow us to remove the photos without damaging them i.e. sellotape or spray mount.

NB: It is vital that you include both photos with your Success Story form and we are sorry that your photos cannot be returned.
